

2020 Cadillac Challenge Registration and Rest Stop Protocols

The following are protocols and processes that will be strictly followed at this year's Cadillac Challenge to do the best we can to keep everyone safe while still holding the event within Maine's CDC guidelines. If you cannot support this process, and respect the health of others, I invite respect others and you to sit this one out.

Riders limited to 100 preregistered riders. Bring the signed waivers with you to registration.

Masks or at least Gators at Registration and Rest Stops

Keep at least 6' apart whenever possible

Gloves off when getting food and drinks at Rest Stops

One at a time and Hand Sanitizer at Registration and Rest Stop Tables

PB&J Sandwiches and Chicken Salad Rollups will be handed to you by gloved volunteers

Riders may grab and go with packaged energy bars and fruit.

Fruit will be peelable and whole, like Banana, Halos, Clementines, Tangerines

Double prepackaged Fig Newtons

Riders may refill their own Water Bottles after having used Hand Sanitizer

Gorp and Gatorade will be in small individual cups

It pains me, but we will not be able to accept the great homemade goodies that riders often bring. We will accept individually prepackaged food donations
